

## Planet Earth's House Band: On The Road, Sampler #1

Welcome. Whether you are a fan from a long time ago or you are new to the music of Little Feat you'll find this sampler CD a perfect mix of how the band sounds nowadays. Enjoy....

The CD came about through an online collaboration of Feat Fans through their "Grassroots" organization. This coalition of fans has been actively promoting the music of Little Feat online since 1995.

Their tasty organic mix of American blues, jazz, rock and world music caters some of the richest live band jamming and vocalizing you'll ever feast your ears on!

Sample what we Little Feat fans love and want to turn you on to: there is nothing like a live Little Feat show!

Hear what all the praise is about from their musical peers; The Grateful Dead, Jackson Browne, Warren Haynes, Gov't Mule, Bob Seger, The Rolling Stones, Stevie Ray Vaughn, to name a few, have called Little Feat their favorite band.

Hear who is cited by the new jam bands as a major influence; Jimmy Herring, Derek Trucks Band, Phish, Galactic, SCI, Leftover Salmon and North Mississippi All Stars. Check out the who's who of musical giants who come from miles around to jam with their favorite band, Little Feat.

Be sure to visit Little Feat's website at [www.littlefeat.net](http://www.littlefeat.net). You'll find everything you need to know about the music, the band, and the incredible fans....the old and new fans from all over the world who have been turned onto the amazing music of Little Feat. Join us!
